

ABISHA KNITWEARS

COMPANY PROFILE

We the people of Abisha Knitwears have engaged ourselves in yarn manufacturing, cloth processing, washing and stitching garments, and trade of textile products. Yarn Spinning, Weaving, Processing, Knitting are also the various segments included in our Company's segment. We use various types of fibers to produce the best yarn, this makes us to produce the best fabric which is done by the Spinning segment and Weaving segment. Our Knitting unit makes good quality of garments. Outstanding stitching facilities produce a range of home textiles for the export market. Our main objective is to provide excellent quality materials for a successful business to us and our clients.

Vision

With a strong commitment to quality and customer satisfaction, our vision encompasses the following:

- To be one of the most admired textile companies which follows and supports sustainable environmental friendly processes right from cotton cultivation to Product distribution; practices high level of integrity and fairness in dealing with all the stakeholders.
- To remain focused on developing Speciality and Technical products for safety and functional wear.

Mission

- Our quest is to become the most admired group by all our stakeholders i.e., Customers, Employees, Shareholders and Society at large.
- We shall pursue world-class standards in our People, Products, Processes and Performance.
- We seek quantum growth to lead in the International and domestic market and enhance our international presence by encouraging Innovation and Nurturing Intellectual Processing.
- We will be always conscious of the path we take to ensure the highest ethical and moral compliance even as we remain totally focused on our goals.
